

UNCLE SHANE CHARLES' DIDGERIDOO HEALING

The didgeridoo is one of the oldest musical instruments on the planet founded by the First Peoples of Australia. Through playing and hearing, it is a powerful tool that lifts an individual's vibration back to a less chaotic and natural rhythm. The broad range of harmonic sounds produced by the didgeridoo vibrate in an ancient and universal tone and can be used as a sound therapy or sound healing tool that affects a person on all levels. Come and join Uncle Shane Charles in this unique and spirit reviving experience of the Didgeridoo (Yidaki) Healing
