RIVER OF LIFE

Mapping your journey of trust

Artwork by Uncle Shane Charles

2.30 pm

Create your own **River of Life Map**. Using the metaphor of a river, identify pivotal moments in your life, of feeling vulnerable, stuck, courageous and finding flow. Unlock trust within yourself and find where building trust is most needed when leading a team.

Co-facilitated with Sarah Naarden, the session will feature **Uncle Shane Charles** sharing his reconciliation journey as a river.
