NATIONAL HEALING

Trustbuilding through story shaping

9 am

Join **Uncle Shane Charles** and **Mike Brown**, author and Chair of 'Our Uluru Response' at Initiatives of Change Australia in a yarn about the different roads to national and statewide Treaty. The Uluru Statement of the Heart calls for a constitutionally-enshrined First Nations Voice to Parliament and a Makarrata Commission for Voice, Treaty and Truth. The Yoo-rrook Commission in Victoria is forging its own path to Treaty. Do they arrive at similar places?
